## Other Important Information

**Safety & Behavior:** *Safety is a priority during Slug Soup. Students are expected to abide by safety rules announced on the first day. This is a private event and have limited time to manage serious behavior issues. We expect **respectful, responsible students**. Parents, thanks for helping to reinforce this!*

**Attendance:** It's important that students plan to attend each day.

**Who may attend:** Only registered students may attend classes. Students must be able to work independently of parents or grandparents (only background-checked *Slug Soup* personnel/volunteers are allowed in classrooms with students).

**Where to come:** Nestucca Jr/Sr High School located in Cloverdale, Oregon. In the center of town, turn up Bridge St. At the church, go left and follow Parkway Dr. up the hill to the school. Cloverdale is on Hwy 101, 22 mi. south of Tillamook, 18 mi. north of Lincoln City.

**What to bring:** Students staying for 2 classes a day should bring a sack lunch marked with child's name. Lunch-time will be supervised. All class materials are provided. Wear comfortable art clothes!

## CLASSES

### For those entering K-1st grade

**Dots for Tots** - Create fun art using various sizes and textures of dots in numerous different ways. *Instructor: Tami Walker, Cloverdale - Artist, Elementary Instructional Assistant.*

**Collage Painting** - Drip it, splatter it, rub it, to make unique paintings. *Instructor: Tami Walker, Cloverdale - Artist, Elementary Instructional Assistant.*

### For those entering 1st-2nd grade

**Watercolor Wonders** - Inspired by the great masters such as Kandinsky, Calder, Monet, and other famous artist, we will explore the beauty and joy of watercolor painting. We will use a variety of techniques and strategies to create numerous 2d and 3d artworks. *Instructor: Jay Woika, Nehalem- Professional Artist, School Teacher*

### **Ribbons, Instruments and Parachutes ...Oh My!**

Student will actively explore a wide variety of musical styles using dramatic play, ribbons, parachutes, paper plates....the list goes on! We will create our own instruments, play several rhythm band instruments, play singing games and make musical art. *Instructor: Bobbie Stirling, Neskowin - Working Musician, Elementary Music Teacher.*

### For those entering 2nd-3rd grade

### **Under The Sea Sculptural Installation**

Using the ocean and all it's beauty for inspiration, we will collaborate as a team to create an underwater multi-media art installation. Our class goal will be to create the feeling of walking on the bottom of the ocean for our viewers! *Instructor: Mary Andrews (AKA Mefore Aday), Portland- Professional Artist, Art Instructor.*

### **Self-Portraits, Self-Reflections, Styles of the Masters**

Self-portraits are an interesting and fun way to learn how to draw and to 'see' the way an artist sees. We will learn a wide variety of beginning drawing and painting techniques used by pro artists to create a handful of beautiful portraits. These youthful self-portraits will be masterpieces to be cherished for a lifetime! *Instructor: Mary Andrews (AKA Mefore Aday), Portland- Professional Artist, Art Instructor.*

## CLASSES

### For those entering 2nd, 3rd, 4th grade

**Little Green Thumb Leaf Lovers-** Grab your green thumb and join us as we create amazing living sculptures. We will create artworks like Kokedama Japanese "moss ball gardening", mini fairy gardens, succulent sculptures, etc.. *Instructor: Dylan Vaughn, Beaver- Plant Sculptor*

### For those entering 2nd, 3rd, 4th grade

**Daydreaming Doodles** - Turn your daydream doodles from your artist sketchbook you'll be making into finished, sellable artwork. If you like to doodle or draw this is your gig! We will make buttons, bookmarks, greeting cards, and drawings on common household items that are readily available to anyone. *Instructor: Ben Soeby, Lincoln City - Professional Artist and Art Instructor.*

## Thank you!

A very special THANK YOU to our donors who have been committed to making sure Community Arts Project can accomplish its mission in our community with their generous donations. **We couldn't do this without you!**

For those entering 3rd-4th grade

**The Many Colors of Water** - Inspired by the great masters such as Kandinsky, Calder, Monet, and other famous artist, we will explore the beauty and joy of watercolor painting. We will use a variety of techniques and strategies to create numerous 2d and 3d artworks. *Instructor: Jay Woika, Nehalem- Professional Artist, School Teacher*

For those entering 4th-5th grade

**Eclectic Art Engagement** - Learn the how to design and build wonderful mosaic artworks! We will be turning tile trivets, flower pots, and masks into stunning mosaic art. These unique and eye catching creations can be used to transform your home or garden into something beautiful too. *Instructor: Eric Sappington, Oceanside- Professional Artist and Art instructor.*

**Sunset and Structure Symphony** - Make eye catching 3-D paintings using multiple mediums including wood, fabric, paper, and acrylic. If you love art, tinkering, and building things you will love this class. *Instructor: Eric Sappington, Oceanside- Professional Artist and Art instructor.*

For those entering 5th-6th grade

**Bugging Out** - This busy buzzy class will create indoor and outdoor art projects from old and new materials. We will be a bug-eyed bunch by the end of the week, making many creative art projects and sketch journals all about the beautiful, exciting, and unusual world of bugs. *Instructor: Maile Samek, Cloverdale - Artist, Art Instructor.*

**Piñata Sculpture Class** - ¡Arriba! Lets' take it to the Next Level! In this fun and messy workshop, our young artists will design and build their own piñata sculpture, weave an "Ojos de Dios" mandala, practice Mexican Hip Hop, and learn how to write their names graffiti-style. It's going to be loco. ¡Venga! *Instructor: Carey Wundram, Hebo - Elementary Teacher and Artist.*
